

Project Team Bronze

Performance Period: 2/18 through 2/25

(Note: there should be one report posted to the project website at the end of each week...)

1. **Summary of Group Accomplishments:** <designated team member should summarize group accomplishments>
 - Made most
2. **Individual Contributions/Accomplishments:** (to be filled out by each individual)
 - **Asia:** Added visual components to the Main page and placeholders in Navigation, practiced demo 1
 - **Jaylen:** Implemented page navigation/routing, partially finalized parts of login, helped on framework for moving forward
 - **Hadeel:** Practiced the demo 1 presentation and worked with the team on the website and updates.
 - **Roman:** added navigation links without styling, researched styling elements to apply to navbar/potential sidebar node packages. Practiced for Demo 1 presentation.
 - **Micheal:** Practiced demo 1 presentation and researched database query for back end. Also made a practice app to learn full stack connection and processes.
 - **Chase:** adjust database query for inventory management. Practiced for demo 1 presentation.
 - **Andrew:** Reimplemented query to update users last login into the app. And made a practice application to better understand the structure of the application we are working on.
 - **Colin:** Practiced Demo 1 Presentation and refined script
3. **Key Objectives for Coming Week** (top level prototype development objectives)
 - Present demo 1
 - Begin demo 2 tasks
4. **Issues/Concerns:** Examples below...
 - Hadeel's absence directly before demo 1 presentation
